About Me

As a recent graduate specializing in frontend development with a focus on React, I am eager to kickstart my career by joining a dynamic team where I can apply my knowledge and skills to create engaging and intuitive user interfaces.
I have hands-on experience with HTML, CSS, JavaScript, and React, and I enjoy building responsive web applications that provide seamless user experience. In addition to my technical skills, I am a proactive communicator and collaborator, ready to engage with team members to bring creative ideas to life. I look forward to the opportunity to grow as a developer and make a positive impact in the tech community.
